Login

The screenshot shows the login interface of the Yard Management System. At the top, there is a navigation bar with buttons for "Logout", "Job List", "Change Team", "Inspection", and "Audit", along with the "WhereNet" logo. The main area contains two input fields: "Operator:" with the text "sraymond" and "Password:" with masked characters "\*\*\*\*\*". Below the "Operator:" field, a red arrow points to the text "Enter ACE ID then press <Enter>". Below the "Password:" field, a red arrow points to the text "Enter password then press <Enter>". At the bottom right, a red arrow points from the text "Press the Login button to sign in" to a "Login" button.

Trailer Number, Owner, and From and To locations of trailer

Users can update the final location of a trailer if it is placed in a different location than originally intended. First select the new location group of the trailer, then the actual location it was placed. If original spot was occupied by another trailer, enter it in the final drop down

Jobs can be mapped by clicking Map It button

Trailer inspection can be performed by clicking Inspect button
